December News

As we venture into the festive season many of us start to reflect on the year that was - a year like no other!

No doubt it is with a sense of relief for many that 2020 is coming to close, and a feeling of hope as we look towards the new year, and a new start .

We would like to thank our patients for accepting and supporting the rolling changes that have been introduced through government directives throughout the year.

Angelica of Uraidla Physio has devised a festive exercise routine which is on the reverse of this newsletter and suggests that google might come in handy for some of the activities listed!
