December News

Another year gone and gone so quickly

Here we are at the end of the year again. The doctors and staff all wish you a safe, happy and healthy Christmas and New Year.

Our thoughts are also with those people who for one reason or another find it difficult at this time of the year as everyone celebrates around them.

As a practice we will get together for our Christmas function in the next week or so and while it will be a fun night, it will also be a time when we reflect on the year and the wonderful people we have cared for.

Some of our Doctors will be away

Dr Indy will be away from the 15th December to the 2nd January inclusive.

Dr Tim will be away from the 28th December to the 14th January inclusive.

Dr Peter will be away from the 2nd January to the 21st January inclusive.

Christmas Opening Hours

The clinic will only be closed on the Public Holidays.

Tuesday the 25th December
Wednesday the 26th December
Tuesday January 1st New Years Day

The other days will be normal opening hours but please be aware that not all doctors will be available on their usual days.

We will also be closed on Thursday the 17th January 2019. The clinic will not be able to be accessed due to the Tour Down Under road closure. One of the doctors will have the mobile phone if you need assistance.

Plans for 2019

As you have probably gathered, we have been focusing on a particular aspect of preventive health care each month. We will continue to do this in 2019. The aim is to detect problems early and keep you healthy. We will concentrate on getting our patients who have chronic disease or multiple problems on to care plans to provide a more comprehensive level of care.

Last month we had a successful men's health check month. However, I am sure it could have been more successful. There are many men out there who still haven't had their check up and it is not too late. If you haven't done so, please consider phoning for an appointment.
